ISLAMABAD, PAK

## EXPERIENCE

### FOUNDER & CEO at MAGNUS STRATEGIES & SOLUTIONS, ISL

At MAGNUS S&S, I Provide financial advisory, UK & Pakistan tax services, accounting and bookkeeping solutions for SMEs and high-growth businesses. Manage UK, US and Pakistani clients for financial modelling, management reporting, tax compliance and strategic decision support delivering data-driven insights that enhance profitability and operational efficiency.

### ACCOUNTS ASSOCIATE / ACGILE (NetSuite Accounting solution provider), ISL

Handle bank and vendor reconciliations, prepare weekly/monthly profitability reports, and streamline financial workflows using QuickBooks and ERP systems. Manage A/P processes across clients' custom order systems and selling platforms, ensuring accurate, efficient operations and fast issue resolution.

### INTERNEE / MCB CORPORATE BRANCH, BLUE AREA, ISL

Gained foundational experience in corporate and general banking operations including clearing, RTGS, trade, and credit risk—building a strong base for ACCA and future work with financial institutions.

### TUTORING O & A LEVEL: (ACCOUNTS, BUSINESS & ECONOMICS)

### FINANCIAL MANAGEMENT- FAMILY OWNED BUSINESS ( LIVE STOCK FARM & AGRICULTURE PRODUCE)

Manage end-to-end financial operations from production to point of sale, and drive business scaling, profitability improvements, and sustainable growth strategies.
